Professional Summary

Operations and logistics professional with 15+ years of experience in financial services and fleet management, with an established track record across the KSA market. Recently completed a Supply Chain Management Specialization (Rutgers University) and Google AI Essentials, combining hands-on field expertise with modern operational strategy. Consistently reliable in high-pressure environments, with proven strengths in compliance, coordination, and multilingual client communication.

Work Experience

Customer Service Executive (2017 - 2023)

ERSAL MONEY TRANSFER- RIYADH, KSA

- Processed high-volume international remittance transactions with full accuracy and strict regulatory compliance, serving a diverse multinational client base daily.
- Enforced KYC/AML protocols including rigorous identity verification (Iqama/Passport checks) and transaction monitoring in line with central bank regulations.
- Supported branch cash operations including vault management and cash-in-transit coordination when required, ensuring continuity during teller absences.
- Prepared internal audit reports and branch compliance documentation, ensuring full alignment with head office SOPs.
- Resolved complex customer disputes — including delayed transfers, system errors, and transaction blocks — using structured de-escalation techniques to retain client trust.
- Monitored branch workflows and flagged operational bottlenecks, contributing to process improvements and alignment with head office reporting requirements.

Customer Service Representative / Fleet Coordinator (2014 - 2017)

BEST RENT A CAR - JEDDAH, KSA

- Managed daily scheduling and assignment of a large corporate vehicle fleet, maximizing utilization rates and ensuring on-time availability for clients.
- Developed and maintained comprehensive vehicle maintenance logs; coordinated servicing, repairs, and inspections with third-party workshops to minimize fleet downtime.
- Supervised driver shift scheduling and dispatched tasks dynamically based on real-time location, traffic, and client urgency.
- Handled the full rental lifecycle — bookings, agreements, payments, vehicle inspections on return, and damage reporting — maintaining accurate records throughout.
- Negotiated pricing with external vendors and managed documentation including insurance claims, registrations, and billing invoices to control operating costs.
- Coordinated directly with corporate clients to manage account requirements, resolve service issues, and ensure consistent satisfaction across long-term rental agreements.

Customer Service Representative (2009 - 2012)

ARAB NATIONAL BANK – TELEMONEY- JEDDAH, KSA

- Handled customer inquiries, resolved service issues, and maintained accurate client records within a high-volume banking and remittance environment.
- Supported sales team targets through proactive follow-up, contributing to measurable improvements in customer retention and repeat business.
- Assisted in onboarding and training new CSR team members and contributed to the development of internal service procedures.
- Conducted market research and collected competitor rate data to support management in refining service offerings and pricing strategy.

Sales/Marketing Representative (2007 - 2009)

ARAB NATIONAL BANK – TELEMONEY- JEDDAH, KSA

- Promoted TeleMoney services directly to migrant worker communities at labor camps and company sites, driving new customer acquisition through ground-level outreach.
- Prepared marketing proposals, coordinated campaigns, and tracked their effectiveness to support the broader sales strategy.
- Developed promotional materials and conducted competitor exchange rate analysis, delivering actionable insights to the sales manager.
